So I take it that this is a FF. So you will respond? I will send you the incoming requests that we have as a group. Let me know if I have misunderstood anything.

Thanks

Larry

I made the wrong assumption earlier about the site because I saw "rad" and there is a big issue at HP. I just talked with Region 9 – the person is, in fact, commenting on Treasure Island (across the bay). It is a non-NPL site and State of CA lead. The FF folks are meeting with their branch chief tomorrow to formulate a response. They've had direct inquiries on TI as well.

Stay tuned,  
Dianna

Hi Dianna

I am seeing a number of these. I think there is a campaign to send these. We will compile them and send over but I wanted to give you a heads up.
